We are National 'Wake the World' supporters, and will be participating in our 5th event this summer-July 15 on Gull Lake @

If you love to shop, we are your local place for life jackets, surfboards, clothing, tow ropes, etc. Our BAYSIDE shop is here for all of your boating and waters sports' needs. Don't see what you need, just ask!

CASHLESS PAYMENT TRANSACTIONS ONLY

All bookings expect payment including fuel surcharge prior to leaving the dock using Venmo, Cash App, Apple Pay, PayPal or check.

WEATHER

All bookings are weather dependent. **Mondays and/or Tuesdays** are rain days. You will be contacted to rebook as needed. We do not typically book weekends due to high lake traffic.

IMPORTANT TO KNOW

BOOKING: Call 269-967-5112 or email to book ahead. Slots fill up fast. Since space is limited, first-come, first-serve when booking. Lessons are designed for beginner to intermediate level surfers.

REMINDERS: SURF'S UP will provide a friendly reminder 48 hours prior to your booked lesson/party via Facebook messenger (or group text). Included in the reminder-lesson expectations/pricing/location/times.

ARRIVAL TIMING: SURF'S UP staff will greet surfers once everyone has arrived. Please take care of bathroom needs prior to surfing start time. Bathrooms are located outside (lower level) with a key hanging outside of the doors. Please only arrive at your designated time. Prompt pick up following lessons is also expected. Our crew needs to prepare for the next session of surfers. We appreciate your cooperation.

LATE ARRIVAL: For surfers who arrive late to the dock, their surf time on the water will be decreased by the equivalent amount of time. Late arrivals negatively impact everyone's experience. Prompt arrival required.

SAFETY FIRST: ABSOLUTELY NO ALCOHOL. No drinking prior to lessons and no alcohol on the boat.

CANCELLATIONS: 24 hour notice is preferred! There is no penalty if Coach Kim is contacted before the desired 24 hours. If 24 hour notice is not met, there will be a \$70 charge for surfer(s). No new lessons will be booked until \$70 is paid in full. In addition, after "2" no-shows/no-call, payment must be paid at booking time for any new lessons.

RESCHEDULING: If a surf lesson needs to be rescheduled due to weather, coach illness, etc, SURF'S UP will do our best to reschedule lesson or party for surfers involved.

NO FOOD OR DRINKS: No food or drink will be brought on board during our lessons. This is a distraction for other surfers. It attracts unwanted insects and it can potentially harm the boat seats & flooring. It adds to the cleanup and sanitation. Bottles of water will be available on the boat. If you have special needs, please address them at booking.

INJURY DISCLAIMER: Our form MUST be completed and signed for 2024 prior to your surf lesson. Parents will have to sign for any minor(s) under 18 years of age.

Learn how to inland wakesurf behind a wake boat. Exhilarating fun for ALL ages. Small children must be accompanied by an adult.

SURF'S UP loves sharing our passion for surfing with all of you at our two locations! We are so excited to meet your surfing needs! Thanks to all of you - our amazing surfers.

We Are So Stoked to Start SURF SCHOOL 2024

"Anyone who has ever had an interest in trying wake surfing; but not sure how, where to begin, or just afraid to try, I would HIGHLY recommend giving Coach Kim and Coach Rusty with Surfs Up, Battle Creek a try. They were so wonderful with the kids, fun to hang out with, and amazing coaches...I never thought after one lesson I would be up and riding the wake "wireless" (dropping the rope), while grooving to my favorite song. I had so much fun that I can't stop thinking about how soon I can get back out there with them or on our boat with them next summer!!" -A Former Client

We will be using a fully loaded 2023 AXIS Wake T235 boat courtesy of Gull Lake Marine with surfboards, life jackets, tow rope, 1 driver, 1 instructor, and up to 6 surfers.

Our boats are disinfected in between sessions. Surfers are expected to sanitize hands prior to getting into boat, and prior to your surf lesson while on the boat.

For the 2024 surf season, non-surfing passengers can ride now for a \$10 riding fee.

5 or under surfers require on water parent supervision at no additional cost.
